Plan of Operation

In this light, the foregoing information only tackles Part III, Paragraph (A) (1) of Annex "C", insofar as applicable.

Business

On January 3, 1974, Lodestar Mining Corporation (now Lodestar Investment Holdings Corporation) ("LIHC" or the Company") was incorporated in the Philippines and established initially as a mining and natural resources exploration company. The Company was engaged in the development of several gold and chromite mining claims in Masbate, Cebu, Negros Occidental and Palawan.

In 1988, the Company filed an application for listing of its 30,000,000 common shares with the Philippine Stock Exchange ("PSE") formerly known as the Manila and Makati Stock Exchanges. On October 11, 1988, the SEC issued to the Company a Certificate of Permit to Offer Securities for Sale and rendered the Registration Statement to be effective. The Company was able to complete its initial public offering and the listing of the Company's shares was made effective on May 26, 1989.

In October 2003, the name and primary purpose of the Company were changed to reflect a change from a mining company to an investment holding company.

On July 7, 2005, the Board of Directors approved the write-off of the aforementioned mining properties or claims in its financial statement as of June 30, 2005. The mining properties were reviewed as to impairment in accordance with SFAS 36/IAS 36: Impairment of Assets.

On September 26, 2008, the Board of Directors authorized the Company to enter into a Heads of Agreement with Abacus Consolidated Resources and Holdings, Inc. ("ABACON") and Musx Corporation ("Musx") for the joint acquisition by the Company and Musx of all the outstanding and issued shares of Abacus Coal Exploration and Development Corporation ("ABACOAL") with a sharing arrangement of fifty five percent (55%) for Musix and forty five (45%) for the Company The Company and Musx have likewise entered into an Agreement for Joint Investment whereby the investment parameters for such investment into ABACOAL were set forth.

On May 21, 2009, the Company executed an Amendment to the Agreement for Joint Investment with Musx Corporation. The amendment primarily consists in the assignment to the Company of Musx's fifty-five percent (55%) interest in ABACOAL subject to the terms and conditions provided in the said agreement. As a result, the Company acquired the right to purchase one hundred percent (100%) of the shares of stock of ABACOAL which necessitated a bigger capital expenditure on the part of the Company.

On May 31, 2009, the Company executed a Memorandum of Agreement with Oriental Vision Mining Corporation ("Oriental") to undertake exploration and development activities of the coal properties of ABACOAL Under the agreement, Oriental shall develop and operate the Coal Property and pay the Company a royalty fee of Eight Percent (8%) of gross coal price per ton based on FOB loaded to vessel.

On July 21, 2015, the Company entered into Cancellation of the Heads of Agreement, Amended Heads of Agreement and Allied Contracts with Abacus Consolidated Resources Holdings, Inc. (ABACORE) and Abacus Coal Exploration and Development Corporation (ABACOAL). The cancellation was necessitated by the fact that the Merger with ABACOAL was not approved by LIHC shareholders for lack of quorum during the Annual Shareholder's Meeting called for the three (3) years prior.

The Company thus, no longer has any contractual interest over ABACOAL as a result of the cancellation of other Heads of Agreement and its allied contracts.

On 11 December 2015, during the Annual Stockholders' Meeting of the Company, the shareholders confirmed, ratified and re-adopted the 2009 Stockholders' approval of the increase in the authorized capital stock of LIHC. Said resolution was passed during the 17 December 2009

Annual Meeting wherein shareholders, holding at least 2/3 majority of the outstanding capital stock, voted in favor of the capital increase from one hundred million pesos (P100,000,000.00) divided into one hundred million (100,000,000) shares at a par value of one Peso (P1.00) per share to three hundred million Pesos (P300,000,000.00) divided into three billion (3,000,000,000) shares at the reduced par value of Ten centavos (P0.10) per share without stockholders' pre-emptive right.

On October 25, 2016, the Board of Directors authorized the execution, delivery and implementation of the Subscription Agreement with Mr. Nathaniel C. Go for the subscription, via private placement, to two hundred sixty million (260,000,000) shares at the subscription price of ten centavos (\$\mathbb{P}\$0.10) per share. The subscribed shares shall be issued out of the Company's current authorized capital stock of one hundred million pesos (\$\mathbb{P}\$100,000,000.00) consisting of one billion (1,000,000,000) common shares with a par value of ten centavos (\$\mathbb{P}\$0.10) per share. Likewise, on the same date, the Board of Directors authorized the execution, delivery and implementation of the Subscription Agreement with Ms. Socorro P. Lim, for the subscription, via private placement, to two billion (2,000,000,000) shares at the subscription price of ten centavos (\$\mathbb{P}\$0.10) per share. The subscribed shares shall be issued out of the increase in the Company's authorized capital stock from one hundred million pesos (\$\mathbb{P}\$100,000,000,000.00) consisting of one billion (1,000,000,000) common shares with a par value of ten centavos (\$\mathbb{P}\$0.10) per share to three hundred million pesos (\$\mathbb{P}\$300,000,000.00) consisting of three billion (3,000,000,000) common shares, with a par value of ten centavos (\$\mathbb{P}\$0.10) per share.

On December 8, 2016, the stockholders representing approximately 67.23 % of the outstanding capital stock of the Company affirmed, ratified and re-adopted the increase in the authorized capital stock of the Company which was approved by the Board of Directors on November 6, 2009 and by shareholders owning and representing more than 2/3 of the authorized capital stock on December 17, 2009. The stockholders in the same manner, approved the sales and issuance of a total of two billion two hundred sixty million (2,260,000,000) common shares, listing of said shares in the Philippine Stock Exchange ("PSE") and waiver of the requirement to conduct a rights or public offering of the shares approved by a majority vote representing the outstanding shares held by the minority present or represented in said meeting.

On June 14, 2017, the Securities and Exchange Commission approved the increase of the Company's authorized capital stock.

Business Plan:

Still in line with the primary purpose of the Company as a holdings corporation, business outlook for 2019 is geared towards looking for other business ventures. Thus, the Company may again tap into various sources to look for opportunities in the various business sectors that are viable, growing and profitable. The Company's strategy will be to invest, buy-in or acquire businesses where the Company will at least own a significant stake or interest in the investee Company's outstanding capital. The said investment amount will allow the Company to recognize its proportionate share of the equitized earnings from its investee companies.

The Company with the approval of the SEC, implemented an increase in its Authorized Capital. This capital raising plan is intended to provide the Company investable funds and working capital for prospective projects. Specifics of such deals, if any, will be properly disclosed in accordance with the continuing disclosure requirements of the SEC and the PSE.

Likewise, the Company's cash requirements were satisfied from the proceeds/collection of Advances from stockholders and the proceeds of private placements with investors.
